

M. M. MURDOCK, Editor. CURTIS' DEMOCRATIC SUPPORT.

ing and make the contest in the open Legislature. In

hind this instruction is palpable. Lyon county is a close county. If enough Curtis Republicans should vote for the Democratic candidates to defeat the Republicans.

Curtis himself is out in an interview calling on the

means, by the defeat of Republican candidates if nec- event," hence the order of prohibition.

an issue" in Kansas. Editorially the Capital says:

which cannot be ignored, and showed why we should privilege, treat the new little republic with especial consideration. The enthusiastic appliance with which his statement of the case was received made it plain that his hearers are with the President heartily in this matter. With- tive, refined and intelligent professor of palmistry. Not out any doubt Kansas Republicans are with Roosevelt, that they wish to employ one. They have had one, and The resolution adopted by the state convention showed it is the identical professor for whom they are looking. this, and resolutions passed by the county conventions. He arrived in Salt Lake a couple of months ago and as they are being held only serve to make the stand opened an office, where flaring signs proclaimed him the taken at Wichita more emphatic."

is unfortunate that he was voting against Reciprocity

in all due time, and by patient research, Mr. Curtis something.

AGUINALDO'S PROPOSED VISIT

care a rap whether Aguinaldo comes to the United States professor's fingers and the gold pieces was really maror not. Taking one consideration with another, he thinks that perhaps it would do him good, just as it would do in palmistry now. any foreigner good to travel in this country, eatch the spirit of the people, and if Aguinaldo is hereafter to take a hand in Philippine affairs it might broaden his ideas that Shakespeare's works are unfit. Only a few foolish and increase his respect for our government. For sim-things have now been left unsaid. tiar reasons it would be a good thing for every Filipino who has the price to come over and take a look at us an see how great and rich and progressive we are and how through with the Cuban treasury it will look like thirty kindly every person of this country feels toward his new cents and contain less. fellow citizens across the Pacific

Nor does it make any difference to the President. anti-imperialists or not. Only he hopes that whoever meats. is responsible for his coming will not attempt to make a lien or a martyr of him and spoil him with dattery and attentions. Aguinaldo has been seriously afflicted they will find that those American mules they captured with the big head. When he organized his government. you will remember, he set up a coat of arms, adopted a code of efiquette and selected a gold whistle as his badge of authority. Army and navy officers who came in contact with him during the events at Manila say that | believes himself to be a pretty warm article. he is inordinately vain. If Mr. Boutwell, Mr. Atkinson. and other good anti-imperialists attempt to set him up would win the fight in the tenth round. His source of to be worshipped in this country it may be had for him information was not exactly "inside." But the President has no objections from a political standpoint.

Aguitaldo has never intimated to the authorities at Manila that he wanted to come to the United States, although they are aware that he would feel much more comfortable if he were away from that city, because he guillible portion of the public is that made of devotoes of receives constant reminders that the friends of General the ring. Luna, whom he caused to be buried alive in 1898, have not forgotten that act or their vows of revenge. Ever since he has been under the protection of the govern pugilists. ment he has shown anxiety on that account, and has frequently admitted that his life was not safe in Manila. Some of Luca's friends or relatives will certainly kill really intend to choke Senator Beverldge, he would faint

The authorities at Washington know nothing of his plans for travel, however, except what they have seen Speakership. He has not been a shining success in the in the papers. It is reported from Boston that Fiske War | place. ren, who has putronized Sixto Lopez and his sister, an has assisted them to complete their education, has sent Aguinaldo money to pay his passage to the United States and has invited him to be his guest while in this country. It is not expected that he will make political speeches. but he may deliver a series of lectures under the auspices of th Anti-Imperiallet League if he acquires a sufficient knowledge of teh English language to make it practi-

THE MAIL CLERKS AND THEIR WORK

The Lawrence Journal in appealing for better pay for railway mail clerks, says: "There was a terrible railroad wreck reported yesterday. A passenger train

was thrown from the track, several of the cars smashed up and burned and of a great many passengers aboard one or two were killed and others severely injured.

About one in twenty of the passengers was burt. On that way. She was sitting on the front As between the uphis and "rain on the the wrecked train were four postal clerks. Two of these stoop because the house was hot, and the were killed outright, one was fatally injured, and the to the sea and her parents were out, and fourth maimed for life. Have you ever stopped to think because she was lonely. The thick foll-A cancus of the Republican members of the Legis- fourth maimed for life. Have you ever stopped to think islature will name the next United States Senator from of the risk these men take and of the danger they are Kansas. If the friends of Charles Curtis should succeed in constantly? When there is a wreck of a train that of the promensders and drivers along the Kansas. If the friends of Charles Curtis should succeed carries mail, the postal clerks are almost invariably made the shadows deaser, and soe sat killed or injured. The train crew may escape, the pas- globe, a cool, diaphanous radiance in the and electing in their stead two Democratic legislators, sengers may come to no harm, but the postal clerks, sengers may come to no harm, but the postal clerks, sengers may come to no harm, but the postal clerks, some of the candidates write forbearing. In the commission down there was a grind of the commission down the commission d caurus, and could do Curtis directly no good. Of course, conscious of impending danger, working with every nerve Curtis might refuse to go into the caucus with his followshock, to them the greatest danger of all, and to them by voice the case of a close contest the Democrats might be able to nuch of these men for the return it gives for their work, to nuch of these men for the return it gives for their work, but the government maks no allowance to them for the contest will not be close, and that the Republicans of the danger to their lives and limbs. That is not taken into consideration. They are given an average of perhaps "Will you take a little ride, Edythet" "Why, yes, thank you. Must I dress und." death, if anyone is killed. The government demands too Legislature, without the dictation of the Democrats, will consideration. They are given an average of perhaps the same pay that other government employes are given. up? name the next United States Senator, coming upon a others who take no risks, lose no hours from rest and choice through the usual caucus vote.

No. no: Just as you are. We'll keep off the crowded places."
She ran down the steps and was up be-In Lyon county, which Curtis claimed, it being part four, even thirty-six hours without closing an eye or sit. side him in a mement.
